Maintenance of Bridges, Equipment and Other Facilities

(BCBC – 201702)

The Burlington County Bridge Commission will receive sealed proposals for Maintenance of Bridges, Equipment and Other Facilities until 11:00 A.M. prevailing time on September 26, 2017, at the Office of the Commission, Administration Building, 1300 Route 73 North, Palmyra, New Jersey at which time and place proposals will be publicly opened and read aloud.

The work to be performed under this Contract includes the furnishing of labor, tools, equipment and materials for Maintenance of Bridges, Equipment and Other Facilities.

The work to be performed under the Contract includes performing emergency and conventional maintenance on the bridges, equipment (excluding vehicles and small portable equipment) and other facilities owned and/or operated by the Burlington County Bridge Commission. The work may also include Burlington County bridges and structures.

Typical items of work for which quantities are indicated and/or estimated include removing, repairing, furnishing, fabricating and erecting structural steel members and components. The quantities are an estimated guide and in no way reflect the actual usage of each item as maintenance tasks are not defined at this time.

At times when required, the work could be on an emergency basis. The Contractor must have available on four (4) hours notice any of the materials, tools, equipment and personnel necessary to complete emergency tasks. During such emergency period, the Contractor could be required to work on a 24/7 basis.

The Contract shall be initially for a partial first year ending on September 30, 2018 but with options to extend for two (2) full one-year periods at the sole discretion of the Commission.

As necessary, the Contractor shall provide for Maintenance & Protection of Traffic while work is being performed as required by the Engineer. The Contractor is required to coordinate with the Engineer all temporary bridge and lane closures for the approval by the Commission.

Bid packages including the Supplementary Specifications, Proposal Forms and Contract Documents for the work are available at no cost electronically on the Commission's website, www.bcbridges.org. From the home page, click on Public Information and then Purchasing. At the bottom of the screen, the project is listed in the Bids, RFPs, RFQs table.
